

Dear All

Our AGM and Members' concert will be at the usual venue, [The Turk's Head, Twickenham TW1 1LE](#), Sunday March 31st - and it would be lovely to see everyone. This is an important occasion where we review the year just gone and discuss plans for the future. We are particularly keen for views about future repertoire as the committee has quite diverse thoughts about whether we should spread into C19th repertoire or even

G & S - so please come and tell us what you think.

Our Members' Concert is also something not to miss. It's an opportunity for people to perform totally free of pressure - solos, duets etc - amongst friends! From Purcell to Adele, sing what you fancy. Previous concerts have included film score medleys, poetry and even a comedy sketch. Most people actually sing something.

If you fancy doing something - let Tony ([tonymoss75@gmail.com](mailto:tonymoss75@gmail.com)) know in advance as he's put together a running order. And if you want the multi-talented Father Michael to accompany you contact him to arrange either a run-through or to give him your sheet music in advance ([fathermichaelgill@gmail.com](mailto:fathermichaelgill@gmail.com))

AGM: 6.45pm - Concert: from 7.30pm - £10 fee includes hot buffet plus £5 to perform.

Tony

PS It's a good opportunity to recommend to friends they come and try us as it's no more challenging than being a choral society so some new faces would be great.
